Riding on, such a fantasy,
Found me out this nigh,
Rolling on the scream
Not too loud, drag me out,
What it's all about
Now I repeat, all the memories,
Need more time to share,
Growing on the link
So much fun, yes it's fun,
Damn I cannot back

Sometimes I'm down,
Sometimes you down
But it just seems alright now
Turn off the light,
Let's go to the bar

Times is running on my own
I'm not slow hey I'm still fine
What about another drinks
Goin' nowhere fast
So why have to care

Looking for such an alibi,
Rolling all the dice,
Choosing just one lie
Truth don't lie, alcohol does,
How can that be fair

In the corner now,
Dark and full of smoke,
Spending all my cash,
Action cannot wait,
Where's the fun,
And all my friends,
They all leave me here!

Sometimes I'm down,
Sometimes you fucked!
But it just seems alright now
Turn off the light,
Let's go to the bar
