Chorus:

The closer I get to you  
The more you make me see  
The closer that I get to you  
It's gotta be only me  
What do I have to do to prove  
She doesn't really care for you  
And your the only one I really love  
The closer I get to you

Started out the best of friends  
Nothing more and nothing less  
Suddenly some took my place  
I searched high and I searched low  
Never find an other love  
Coz you're the only one in my heart

I don't need to know the reason  
Never need to see the season  
How you did these things to me  
Baby baby baby

Chorus

Boy you know you're to damn good  
She don't treat you like dhe should  
Never believed in what you do  
I've allways been ght there for you  
Whenever it is you need a friend  
I will be right there till the end

I don't need to know the reason  
Never need to see the season  
How you did these things to me  
Baby baby baby

Chorus
