Twice bar is the best I know
Ramones blast on stereo
Poster hanging on the wall
The best for rock 'n' roll

The band starts to play at nine
And the kids start losing their minds
Can you feel the beat behind?
Doesn't make you feel so fine?

It's a rock 'n' roll
Rocking all the time
It's a rock 'n' roll
Rolling all the time
It's a rock 'n' roll
Fun fun all the time all night long...

The bartenders are very nice
Their tattoos make me amaze
Everybody love this place
The best place in paradise
