And whispered in my ear all night
Sweet words

Supremes: Sweet words

Diana: I've never heard

Supremes: Unheard

Diana: And I, believed every word

Diana: Next day you came my way

Supremes: My way

Diana: And not a word you say

You passed me by

Supremes: Me by

Diana: And didn't bat an eye

Supremes: An eye

Diana: My darlin', won't you tell me why...

You're actin' strange toward me?

Supremes: Strange

Diana: Why have you changed toward me?

Supremes: Changed

Diana: Are you just a breath-takin',

Florence: First sight soul-shakin',

Diana: One night love-makin',

Mary: Next day heart-breakin',

Supremes: Guy

Oooh, oooh, oooh,

Oooh, oooh, oooh,

Supremes: Was true

Diana: The next day you were gone...

And I was blue

Supremes: Was blue

And you were movin' on

Supremes: Moved on

Diana: And I was left to cry alone

What have I done to you?

Supremes: Done
Diana: Was it just fun to you?

Diana: Are you just a breath-takin',
Florence: First sight soul-shakin',
Diana: One night love-makin',
Mary: Next day heart-breakin',
