Oo-oo-oo-ooohhhhhhhhhh
Oo-oo-oooh

Oh, this heart of mine carries a heavy load
When I think about how I've hurt you so
After you've been, been so good to me
I've been unfaithful, darlin', I've caused you misery
I feel the guilt, how it tortures me
& only you, my darlin', oh, can set me free

[Chorus]
& darlin', all, all I need is just to hear you say
You'll forgive me, forgive me, baby
All, all I need to have you touch my hand
Say you'll understand, baby

A moment of weakness, darlin', caused me to stray
Your trust in me, dear, I threw away
But when I looke, look into your eyes
I can see the hurt, baby, that you feel inside
Although I hurt you, you never once complained
It makes me feel, sweet darlin',
that I'm so much more ashamed
Tears of guilt, tears of guilt run down my face
Tears that only you, baby, only you can erase

[Chorus]

(Won't you believe, my darlin'?)
I know I made a big mistake
When all your love, darlin', yes I did forsake
It's on my mind, it's in my heart
I get the feeling tearin' me apart
Every step I make, every breath I take
I'll make it up to you, I'll make it up to you
Undo the wrong I've done, undo the wrong I've done
I've been unfaithful and untrue
But I'll make it up to you

[Repeat Chorus & fade]
