(Dino Fekaris/Nick Zesses)

You took my hand and pull me close
And gently brushed your hand against my cheek
[Oooh, oooh, ooh]
Yeah
You whispered something in my ear so softly
I could hardly hear you speak [Oooh, oooh, ooh]
You stare straight in my eyes
And pull me closer and closer to your lips [Oooh, oooh,
ooh]
And just as we were face to face,
You stopped and kissed my fingertips [Oooh, oooh,
ooh]

And I, I, I thought you loved me
When I saw that loving feeling in your eyes
And I thought you loved me, boy
When you were only kissing me goodbye

You walked up to the window
Saying how it was such a beautiful day [Beautiful day],
yea, yea
And you were stumbled through your words
As if there was something you just couldn't say [Just
couldn't say]
Ohhh... You listen while I told you
how happy we both are gonna be [Are gonna be]
Didn't you, didn't you, didn't you? Yeah
And then you cut me off,
And said "There's something I just didn't see" [Just
didn't see]

And I, I, I, I, I, I thought you loved me
When I saw that loving feeling in your eyes
And I thought you loved me, boy
When you were only kissing me goodbye
[And I thought] and I thought, I thought you loved me
When I saw that loving feeling in your eyes
And I thought you loved me, boy
When you were only kissing me goodbye

No, no [And I thought], no, no [you loved me]
And I thought you loved me
When I saw that loving feeling in your eyes
[And I thought you loved me]
And I thought you loved me
But you were only kissing me goodbye
Whoa, oh... and I thought you loved me
I saw that loving feeling in your eyes
And I thought you loved me, baby
