Baby love  
My baby love  
I need you  
Oh, how I need you  
But all you do is treat me bad  
Break my heart and leave me sad  
Tell me what did I do wrong  
To make you stay away so long  
'Cause baby love  
My baby love  
Been missing you  
Miss kissing you  
Instead of breaking up  
Let's have some kissin' and makin' up  
Don't throw our love away  
In my arms you're gonna stay.  
Need you, need you  
Oooh, baby love.  
Baby love  
My baby love  
Why must we separate, my love,

All of my whole life through  
Never loved no one but you.  
Why d'you do me like you do.  
I got this need  
Need to hold you once again, my love,  
Feel your warm embrace, my love  
Don't throw our love away  
Please don't do me this way  
Not happy like I used to be  
Loneliness has got the best of me.  
My love,  
My baby love  
I need you  
Oh, how I need you  
Why d'you do me like you do  
After I been true to you  
So deep in love with you  
Baby, baby, baby...
