"Baby"

Visit "[Baby](#)" on MotoLyrics.com

Well, now, it takes more than a robin to make the winter
go
And it takes two lips of fire to melt away the snow
Well, it takes two hearts a-cookin' to make a fire grow
And baby you've got what it takes
(Right on, Jean, right on)

You know it takes a lot of kissin'
(Tell me about it) To make a romance sweet
Ooh, and it takes a lot of lovin', baby, to make my life
complete
Mmm, and it takes a lot of woman to knock me off my
feet
(Tell about it)
And baby, you've got what it takes

I said
Ooooooh
Ooh, ooh, ooh
(Right on, mama, right on)
I said
Oooh, ooh
You know you've got just what it takes

Because it takes more than an effort to stay away from
you
It'd take more than a lifetime to prove that I'll be true
But it takes somebody special to make me say, 'I do'
And baby, you've got what it takes

And I said
Ooooooh, ooh, ooh, ooh
And I said
Ooh
You know you've got just what it takes

Because it takes more than an effort to stay away from
you
It will take more than a lifetime to prove that I'll be true
But, it takes somebody special to make me say, 'I do'
And baby you've got what it takes

And baby, you've got what it takes
(Mary, you're just too much)
And baby, you've got what it takes
(Jean, you're supreme, baby)
And baby you've got what it takes
(Levi, you are top)
(You're right, you're right)
And baby you've got what it takes
(Jean, you're supreme)
And baby, you've got what it takes
