(Brenda Holloway-Patrice Holloway)

Bah-bah-bah-bah-bah-bah
Bah-bah-bah-bah-bah, bah-bah-bah-bah-bah
Bah-bah-bah-bah-bah-bah
Bah-bah-bah-bah-bah, bah-bah-bah-bah-bah.

You donæŠ° hold me in your arms the way you did
When you were so much in love with me
I recall the time when you were all mine
And I didnæŠ° have to share your love with anyone.

And when I feel I wanna be with you
And I canæŠ° right then, it almost drives me insane
æ... ¤ause youæŠ®e the only one who can ease my
mind
æ... ¤ause youæŠ®e the reason of all of my hurt and
all of my pain.

When I guess my world was made believe
æ... ¤ause I thought I can have your love all to myself
And thereæŠ¬ nothing I can do æ... ¤ause youæŠ®e
gonna do
What you wanna do anyhow, anyway.

But loving you is blinding me so
I still hold on to every hope and every dream
While deep inside I feel the tide is about to turn
And you wonæŠ° find me hanging around you
anymore.

But keep this in mind for the end of time
YouæŠ®e gonna want me more than I want you now
Ooo, itæŠ¬ gonna be a shame, hate to see you that way
I know how it feels æ... ¤ause IæŠ! on that cloud today.

(REPEAT CHORUS)
