Listen everybody, especially you guys  
Is it right to be left alone  
While the one you love is never home?  
I love too hard, my friends sometimes say  
But I believe, I believe  
A man should loved that way  
But it hurts me so inside  
To see him treat me so unkind  
Somebody, somewhere tell him it's unfair

Can I get a witness?  
Can I get a witness?  
Can I get a witness?  
Somebody  
I want a witness

Is it right to be treated so bad  
When you've given everything you had?  
Even tossin' in my sleep  
'Cause I haven't seen my baby all week  
Now, you girls do agree  
That this ain't the way love's supposed to be  
Let me hear, let me hear you say yeah, yeah

Up early in the morning with him on my mind  
Just to find out all night that I've been cryin'  
But I believe a man's a woman's best friend  
So I'm gonna stick by him till the very end  
But he causes so much misery I forget how  
Love is supposed to be  
Somebody, somewhere, tell him it ain't fair

Can I get a witness?  
I want a witness

Everybody knows, especially you girls  
Love can be bad  
But I have a love that's twice as bad  
Now you girls do agree  
That this ain't the way love's supposed to be

Let me hear, let me hear you say yeah, yeah

Can I get a witness
