[Mary/spoken intro:]

Dom abigato, Jean. (chuckles) You know, I like to sing this song for some of my favorite things in life: men.

You're just too good to be ture  
And I can't take my eyes off of you  
You'd be like heaven to touch  
Oo-oooh, I wanna hold you so much  
At long last my love has arrived  
And I thank God I'm alive  
You're just too good to be true  
I can't take my eyes off of you

Pardon the way that I stare  
There's just nothing else to compare  
The sight of you leaves me so-o-o weak  
There are no words left to speak  
But if you feel like I feel  
Let me know that it's real  
You're just too good to be true, ooo  
I can't take my eyes off of you

Quiet nights 'n quiet stars, quiet chords from my guitar  
Floating on the silence that surrounds us  
Quiet thoughts 'n quiet dreams, quiet walks by quiet streams  
And the window I'm looking on the mountains and the sea

How lovely!  
This is where I long to be here with you so close to me  
Until the final flicker on light embers  
I who was lost and lonely, believing life was only  
A bit of tragic joke, I found you... you-ou-ou...

I...love...you... baby, oh, if it's alright  
I need you baby to warm the lonely ni-ights  
Oh-whoa-ohhhhhh, ooo....ooo....  
Oohhhhhhhhhhhhhhhhh, oo-ooohhhhhh

I love you baby, oh baby, don't you bring me down I  
pray  
Oh, pretty baby, now that I found you stay  
Ooh, let me love you, I wanna love you  
Maybe for a minute, oohhhhhhhhhh, oo-oohhhh  
I...love you-----

If I could speak Japanese, I really do (chuckles)  
'Cause you're just too goo-ood....  
Ohhh, oh, oh, oh, you're just too goo-oo-oo-ood...  
And I.... can't take my eyes... off of.. you-ou-ou....  
Ooo-ooo...oohhhhhh  
Ohhhh ohhhh....
