Lonely nights
Long and lonely nights
Emptiness without your sweet caress
I missed you so (I missed you so)
More thn you ever know
And after all this time, more than a year
Without a single word, you just disappear

And I'm chained, chained, chained
I'm chained to yesterday
I'm chained, chained, chained
I'm chained to yesterday
(You know I'm guilty, baby)

I tried to call
But darling, your number's been changed
The operator said, "I'm sorry, but that's an unlisted name"
I powdered each teardrop dry
Before I rushed out the door
I saw your best friend and asked where you've gone
I said, "Tell me as a friend, did I do that man wrong?"

I'm chained, chained, chained
I'm chained to yestaerday
I'm chained, chained, chained
I'm chained to yesterday

Ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh

I felt so bad
I even thought of suicide
To erase the pain
But I don't have the nerve to try
But pity to your friends I showed
That I was the last one to know
Of how cold that you be, just leaving me
With a heart full of love and you're holding the key

I'm chained, chained, chained
I'm chained to yestaerday
I'm chained, chained, chained
I'm chained to yesterday
I'm chained, chained, chained
I'm chained to yestaerday
