im, comin out- im comin'
im, comin - out
im comin - out
im comin out
i want the world to know-got to let it show

theres new me comin out
and I just have to live, and i wanna give, im completely
posotive
i think this time around, I am gonna do it, like you never
knew it, oh il make it through
oh il make it through
The time has come for me to break out of the shell
I have to shout, that i am comin out

{chorus}
Im comin out
i want the world to know, i got to let it show

Ive got to show the world all there was to be
and all my abillities theres so much more to me
somehow il have to make them just understand
ive got it well in hand and oh how ive planned
im spreadin love there is no need to fear
and i just feel so good everytime i hear

{chorus}
