(Fredrick Long/Edward Holland, Jr. )

I'm getting ready for the function at the junction  
And baby, you'd better come on right now  
Because everybody's gonna be there  
We got people comin' from everywhere  
We got Ling Ting Tong from China  
Long Tall Sally from Carolina  
We got 007, the private eye  
And he's bringin' all the guys from "I Spy"  
Come one, come all, we gonna have a ball  
Down at the function at the junction  
And baby you'd better come on right now  
We serving egg foo yung and barbecue  
Chicken & dumplings, hey, we got some kidney stew  
We gonna make big fun till the break of dawn  
Gonna shake a tailfeather shoot, it's gonna be a run  
Hold a shotgun on a rooster, and dare him to crow  
Tell anybody sleepin' say get out on the floor  
Tell him, tell them, tell one and tell 'em all  
Tell 'em 'bout the function at the junction  
Tell 'em that they'd better come on right now  
Tell 'em 'bout the function at the junction  
Tell 'em that they'd better come on right now  
Oh, the soul brothers, Jitterbugs  
Hip cats and fancy hats  
And pretty girls with pretty smiles  
All decked out in the latest styles  
Farmer Jim and Guitar Slim  
Betty Boop and ooo-boop-de-doop  
Mohair Sam from Alabam  
Minnesota Fats from Hobo Flats  
Gravitatin', hip-shakin' cuties now  
Talkin' 'bout fascinatin', demonstratin' beauties now  
They all gathering here, from far and near  
For the function at the junction  
Brother, you'd better come on right now  
Tell 'em 'bout the function at the junction  
Sister, you'd better come on right now  
Talkin' 'bout the function at the junction  
Everybody, you'd better come on right now
