(W. Robinson)

I never met a boy who makes me feel  
The way that you do (You're alright)  
Whenever I'm asked who makes my dreams real  
I say that you do (You're outta sight)  
So fee fi fo fum  
Look out baby  
'Cause here I come

And I'm bringing you a love that's true  
So get ready  
Get ready  
I'm gonna try to make love to you  
So get ready  
Get ready, here I come  
I'm on my way

If you wanna play hide and seek with love  
Let me remind you (It's alright)  
The loving you're gonna miss and the time  
It takes to find you (It's outta sight)  
So fiddleleedee fiddlelee dum  
Look out baby  
'Cause here I come

And I'm bringing you a love that's true  
So get ready  
Get ready  
I'm gonna try to make love to you  
So get ready  
Get ready, here I come  
I'm on my way

All my friends shouldn't want me to  
I understand it (We'll be alright)  
I hope I'll get to you before they do  
The way I find you (Be outta sight)  
So twiddledeedee twiddlededum

Look out baby  
'Cause here I come

And I'm bringing you a love that's true  
So get ready  
Get ready  
I'm gonna try to make love to you  
So get ready  
Get ready, here I come  
I'm on my way
