Tossin' and turnin' and losin' my sleep

'Cause heartaches by the number you gave to me

I'm so glad heartaches don't last always

But I'm so glad heartaches don't last always

I feel uplifted and at ease, since my heartaches went away

Someway, somehow I've gotten over you now

No more sitting by the phone, no more wondering if you're alone

Tossin' and turnin' and losin' my sleep

'Cause heartaches by the number you gave to me

I'm so glad heartaches don't last always

I'm so glad heartaches don't last always

Getting over you was hard 'cause we were so close

In the middle of sweet memories and then it hurt the most

But I just kept on trying in between crying and

Tossin' and turnin' and losin' my sleep

'Cause heartaches by the number you gave to me

I'm so glad heartaches don't last always

I'm so glad heartaches don't last always

How happy I am now that I'm over you

It's so wonderful this change in me

How rejoiced I am to be over you at last, no more

Tossin' and turnin' and losin' my sleep

'Cause heartaches by the number you gave to me

I'm so glad heartaches don't last always

I'm so glad heartaches don't last always
