she took a love from you  
I'm gonna put it back in you  
she tore you down as a man  
I'll restore that, too  
and like a hot iron in the fire  
she burned a hole in your heart  
and don't you waste your good time crying, boy  
she didn't love you from the start

[Chorus:]  
come on and hold on (hold on)  
hold on (hold on)  
hold on to me, boy  
I said tighter (tighter)  
tighter (tighter)  
I won't break like a baby's toy

hey, Jean, I got to do, girl  
what you want me to, but I've made up my mind  
one hurt's enough cryin' and sleepless night  
so stop leading me on  
Levi, I'm not playng games  
the way she did to you  
now don't you be so superstitious, boy  
this time I lose, it won't be you

[repeat chorus]

yeah

hold on  
I can't do it  
give me a chance  
I'm already been through it  
baby, hold on  
Jean, I can't do it  
give me a chance  
I'm already been through it

hey Jean, if I could crawl into your mind,  
maybe then I see

if there is any truth,  
Jean, in what you been telling me  
Levi, some girls were made for some guys  
that she wasn't made for you  
why don't you give me a chance to prove myself  
and boy, you'll see I was made for you

come on and hold on (hold on)  
hold on (hold on)  
hold on to me, boy  
I said tighter (tighter), tighter  
I won't break like a baby's toy  
[repeat x3 to fade]
