(Harold Beatty/Brian Holland/Eddie Holland)

Ooohh oooohhhh

Ooooh ooh

Ah ahhh

Goodbye, my love

Happy life, my love

I'm tired and I just can't take no more

I'm tired of being tough

'Cause enough is enough

This time I'm really heading out the door

Yeah, you better believe me

I'm gonna let my heart do the walking

My heart

Walk me in to something good

Good, good

(I'm gonna let my heart) do the walking

(Do the walking)

You see, I've made up my mind

Tired of wasting time, ooh!

You took my very best

And you gave me less

I'm tired and I just can't take no more

Your love's unstable

And darling, while I'm able

I'm gonna ease out the door, yeah

You better believe me, yeah

I'm gonna let my heart do the walking

My heart

Walk me in to something good

To something good

(I'm gonna let my heart) do the walking

(Do the walking)

You see, I've made up my mind

Tired of wasting time

Ooh ah, ah

Ahhhhhhhhhhhhhhhhhhhhhh (do the walking)
Ahhhhhhh, ooh!
Walk on, walk on (do the walking)
I hate to go
You know I love you so
I said I'm leaving, baby, na na na na

(Walk on heart, walk on)
(Walk on heart, tip on out the door)
(Walk on heart, walk on)
(Walk on heart, tip on out the door)
(Walk on heart, walk on)
Oo-oo-ooooohhhh (walk on heart)
Ahh ahh ooh ooooooh (walk on out the door)
Ahh-ahhhhhhhhhhhhhhhhhhhhh (with your bad self)

(I'm gonna let my heart do the walking)
Ahhhhhhhhhh, ahhhhh, ooooohhh
(Walk me in to something good)
Yeah, yeah, yeah, yeah
(I'm gonna let my heart) do the walking
(Do the walking)
I said I love you so
I'll never let you go
I'm gonna leave ya, na na na na na na

(Walk on, walk on, walk on)
Then I'm gonna let the pain and suffering be
Ooh, na na na na
(Walk on, walk on, walk on)
You know I've made up my mind
Tired of wasting time
Walk on, walk on and on (do the walking)
Baby, baby, baby, baby, baby
Don't you know what you've done to me?
(Do the walking)
I've made up my mind
Tired of wasting time, ooh, ooh, ahh
(Do the walking)
I'm gonna let it do the walking
Ahhh-ahhhhhh
Ahhhhhhh (do the walking)
Ahhh....
