Baby, it's all your fault  
You made me love you  
You made me need you

Baby, it's all your fault  
I keep tellin' myself  
I need you and no one else

'Cause your lips  
Has the kiss of fire  
That takes hold to my  
My every desire  
When you take me in your arms  
And hold me close  
My heart tells me  
It's you I need the most

Ooh baby, ooh baby, ooh my baby

Sweet words you speak  
Is like a melody  
They go on and on  
Like an old sweet song  
Just echoing  
All through my heart  
Just makes you a part  
A part of me, sweetheart

Baby, it's all your fault  
You made me love you  
You made me need you

You've got me in your power  
And there I'll remain  
'Cause in my heart I know  
I don't want to change

And baby, it's all your fault  
I can't help myself  
Oh no, I can't help myself

Ooh baby, ooh baby, ooh my baby
