(Brian Holland/Harold Beatty/Eddie Holland)

Can you feel, can you feel, can you feel
Can you feel the heat
Don't it make, don't it make
Don't it make you wanna move your feet (oo-weee)
Feel what I'm feeling
Feel what I'm feeling (owwww-ooohhh!)

A time to worry
A time for sleep
A time to laugh
A time to weep
But right now it's party time
Get on down, relax your mind
Don't let the wheel fall off your wagon
And catch you with your whole life dragging

Let yourself go
Hey, feel what I'm feeling
I'm feeling good, I'm feeling loose
Ooooh, kick off your shoes and stay awhile
Just hang loose
I like your style

A time to go
A time to stay
A time to work
And a time to play
Don't be no fool and blow your stack
'Cause once you leave
You ain't coming back
Join right in with the finger popping
Party hearty 'til the whole joint's rocking

Let yourself go, hey-ey!
Feel what I'm feeling
Float like a feather
Get it together, Ooh!
When you hear the drummer
That funky beat

When you hear the rhythm
Loud and sweet
And you let yourself go

[INTERLUDE]

Whoo! Let yourself go
Oh, feel what I'm feeling, yeah
Let yourself go
Feel what I'm feeling
I'm feeling good, I'm feeling loose, Uh-huh-uh!
Take off your shoes and stay awhile
Just hang loose, I like your style
Let yourself go, Uh-huh, Uh-huh...Oh, oh yeah!
Feel what I'm feeling (Oh, oh, ohhhhhhhh!)

Can you feel, can you feel, can you feel
Can you feel the heat
Don't it make, don't it make
Don't it make you wanna move your feet, Ow!

Can you feel, can you feel, can you feel
Can you feel the heat, Whoo!
Don't it make, don't it make
Don't it make you wanna move your feet, Whoo!
Na, na, na, na, na, na, na, na, na
Ooh, ooh!
Feel what I'm feeling
Na, na, na, na, na, na, na, na, na
Feel what I'm feeling (Ah, hahhhhh, ah!)

Can you feel, can you feel, can you feel
Can you feel the heat, oh yeah
Don't it make, don't it make
Don't it make you wanna move your feet, oh, oh!

Can you feel, can you feel, can you feel
Can you feel the heat, oh yeah
Don't it make, don't it make
Don't it make you wanna move your feet, All right!

Whoo! Ooh whee! Ah, ahhhh, ahhh!

Hey!

Feel what I'm feeling (get on down)
Feel what I'm feeling
Oh, oh yeah!
Feel what I'm feeling
I feel it, baby
Feel what I'm feeling

I feel it, baby, ooh!
Na, na, na, na, na, na, na, na
