(D. Fekaris, N. Zesses)

Kissing you is a warm sensation
Sweet and pure as the sunny month of May
All I need is that warm sensation
To get me through the day
Hey

Let's make love now
Don't turn it down, oh-oh
Let's make love now
Don't turn it down
You set my dreams in motion
Please, don't let me touch the ground
Don't let me touch the ground

Roses never seem quite so rosy
I never seen the sky so clear and blue
Birds are flying so far below me
The moment I touched you
Hey

Let's make love now
Don't turn it down, baby
Let's make love now
Don't turn it down
You set my dreams in motion
Please, don't let it touch the ground

Pretty has never quite so pretty
Reach out and touch the sky
(reach and touch the sky)
All the rainbows across the city up high
Oh baby, baby, baby
Oh baby, baby, baby, baby

Let's make love now
Don't turn it down, baby
Let's make love now
Don't turn it down, ooh, ooh

Let's make love now
Don't turn it down, ooh baby
Let's make love now
Don't turn it down
