(Joe Jones/Earl Levenson/Ellene Levenson)

[CHORUS:]

life beats turning into love beats
ooh yeah
ooh ooh ooh ooh ooh ooh
life beats turning into love beats
moving in and taking over me
life's a drum
more than a heart's a drum
love's the answer, gonna get me some
oh yeah

since I've spent my years of searching
for the answers to life's game
Is it power? Is it money?
Am I more than just a name?
then last night, for one small moment
I look upon his face
all at once I've got the message
everything fall into place
oh... life beats

[repeat chorus]

ah, life
mmm, love beats

oh, I have dreamed of desperation
waiting for someone, I sigh
now it's time for celebration
his eyes told me he was mine
oh, oh, ah, life beats

[repeat chorus]

life beats turning into love beats
ooh yeah
ooh ooh ooh ooh ooh ooh
[x4]

turn...
life...
love...
beat!
