Loneliness, mm, mm, mm  
Is a lonely, lonely feeling, mm, mm  
You can cry, but you just can't run, no  
Loneliness, mm, mm, mm  
Is a lonely, lonely feeling, mm, mm  
When the one that you love is gone  
(Can't you feel I'm lonely) gone  
(Can't you feel I'm lonely)  
Oh, I'm just a fool who keeps hangin' on  
Why is it I'm so weak and he's so strong  
But he never caused like he used to do  
It's not the same when our love was new  
I remember when happiness was on my face  
But now he's found someone to take my place  
Why, oh why think of him only  
He's giving me nothing but  
[Chorus]  
Gone, gone, gone  
All these memories that keeps haunting me  
Reminds me of our love that used to be  
But now loneliness fills my empty room  
It's not the same when our love was new  
He used to tell me that we'd never part  
Why did he have to go and break my heart  
Why, oh why think of him only  
He's giving me nothing but  
[Repeat chorus]  
(Can't you feel I'm lonely)  
Can't you feel that I'm lonely  
(Can't you feel I'm lonely) I'm so lonely  
(Can't you feel I'm lonely)  
Can't you feel that I'm lonely  
(Can't you feel I'm lonely, baby)  
Come on, baby, see about me  
I'm lonely as can be (ah, loneliness)  
Loneliness is a lonely feeling  
You can cry, but you just can't run  
Loneliness is a lonely feeling  
When the one you love is gone, gone  
Loneliness is a lonely feeling  
(Loneliness, I'm lonely, lonely)

Loneliness is a lonely feeling  
When the one you love is gone, gone  
Baby, baby, baby  
Loneliness is a lonely feeling  
You can cry, but you just can't run
