(L. Caston/K. Wakefield)

High... as a steeple
Sunday morning (Sunday morning)
Sunday people
Mine (ah!)
I get the feeling, everybody's feeling fine
I got down kneeling,
Love it came to me this time
I said a prayer and you're mine

Sky... (high) hiding to my eyes
Through the stained glass window
Shining to my light (shining)
Mine (shining)
I start believing (I start believing)
My heart won't be leaving this time
I got down kneeling
Love it came to me this time, yea
I said a prayer and you're mine (and you're mine)

My life was caught in the wind
Like a leaf up in a breeze
And down again spinning, spinning

Until you came in, and you gentled down my life
I got down kneeling
Love it came to me this time, yea
I said a prayer and you're mine

Love it came to me this time, yea
I said a prayer and you're mine (and you're mine)
Mine, mine, mine (love it came to me this time)
Can't you see it's coming?
I said a prayer and you're mine
Love it came to me this time, yeah
I said a prayer and you're mine (and you're mine)
Can't you see it's coming? (love it came to me this time)
Mine, mine, mine (I said a prayer and you're mine)
Mine, mine, mine (love it came to me this time, yea)

Mine, mine, mine (I said a prayer...)
