(David Gates)

Hey have you ever tried
Ever reaching out to the other side?
I may be climbing on rainbows
But baby, here goes
Dreams are for those who sleep
Like it's for us to keep
And if you're wondering what this song is leading to,
I wanna make it with you
I really think that we can make it
(I really, really think we can make it, boy)

No (No, no), you don't know me well (You don't know
me well)
Every little thing only time will tell
If you believe the things that I do,
Then we'll see it through
Life can be short or long
Love can be right or wrong
And if I had to choose the one who see me through,
Ohh, I wanna make it with you
I really think that we can make it, baby
(Oooh, ooooh)

[interlude]

Honey, honey
Baby, baby, baby
Dreams are for those who sleep
Like it's for us to keep
And if I had to choose the one who see me through,
Ohh, I like to make it with you
I really think that we can make it
We can make it
I like make it with you, oooh
I like to make it with you
We can make it, boy
I like to make it with you...
