(Perry Botkin Jr, Gil Garfield, Harry Nilsson, Phil Spector)

There is a land I know where lovers go  
& flowers grow forevermore  
Where time is standing still & lovers fill  
The quiet places by the shore  
We'll cross the rainbow  
To a place where we'll be free  
Where he give his love to me  
So I'll wait for the day when he takes me away to...

(Paradise) He'll take me by the hand to  
(Paradise) We'll walk along the sand in  
(Paradise) A never never land  
(Paradise) Wo, wo, wo

We'll build a castle there so we can share  
The happiness we've waited for  
While white flamingos fly way up high  
Way above the ocean's roar  
Wo, wo, yea-yeah  
We'll climb the mountain  
To see our wondeland  
Maybe now you'll understand  
Why I wait for the day when he takes me away to...

(Paradise) He'll take me by the hand to  
(Paradise) We'll walk along the sand in  
(Paradise) A never never land  
(Paradise) Wo, wo, wo

I'll stand by him  
Do right by him  
And I swear, I swear I'll die for him  
Die for him, die for him  
Yeah, hey

(Paradise) He'll take me by the hand to  
(Paradise) One day I know we'll stand in  
[repeat til fade]
