Ba ba ba ba, ba ba ba ba-a  
Oh, oh, oh, oh, oh, oh  
Ba ba ba ba, ba  
Oh, oh, oh, ohhh, ohhh

Ba ba ba ba, ba ba ba ba-a  
oh, oh, oh, oh, oh, oh  
Ba ba ba ba, ba  
Oh, oh, oh, ohhhh

Reach out and touch somebody's hand  
Make this world a better place if you can  
Reach out and touch somebody's hand  
Make this world a better place if you can (Just try)

Take a little time out of your busy day  
To give encouragement to someone who's lost the way  
(Just try)  
Or would I be talking to a stone if I asked you to  
Share a problem that's not your own (Oh yeah)  
We can change thing if you start giving, why don't you

Reach out and touch somebody's hand  
Make this world a better place if you can  
Reach out and touch somebody's hand  
Make this world a better place if you can

Ba ba ba ba, ba ba ba ba-a  
oh, oh, oh, oh, oh, oh  
Ba ba ba ba, ba  
Oh, oh, oh, ohhhh (Just try)

If you see an old friend on the strret and he's down  
Remember his shoes could fit your feet (Just try)  
Try a little kindness and you'll see  
It's something that comes very naturally (Oh yeah)  
Yeah, we can change things if we start giving, why  
don't you  
Why don't you  
Reach out and touch somebody's hand--  
Ooh

I can, you can, we can, yeahh  
make this world a better place  
I can, you can (Ooh, ooh) , we can  
Oh, oh, oh, oh, oh, oh

Reach out and touch somebody  
Reach out and touch somebody

You know in your heart to be nice sometimes  
Just try a little kindness every now and then  
'Cause you'll never, never know when the daylight  
comes, baby  
When you might really, when you might really, really  
need a friend  
Take a look all around you  
You'll find that you're not the only one here  
And I think we need is a little more understanding  
So let's be the first start to care

Reach out and touch somebody's hand  
Make this world a better place if you can  
Reach out and touch somebody's hand  
Make this world a better place if you can (Ooh, ooh)

We can all sing together, we can all laugh together  
You for me, and me for you, ohh...  
So let's all come together, let's how to make it better  
Right now I'll show you how

Reach out and touch somebody's hand  
Make this world a better place if you can  
Reach out and touch somebody's hand  
Make this world a better place if you can  
[repeat til fade]
