(Mack David, Michael B. Sutton)

Let's make a brand new start
And plant a seed of love
And know exact my heart
How much I need your love
Forget what went wrong
The need's so strong
Together we can plant a seed of love
Mmm (la, la, la, la)
Together we can plant a seed of love

We cannot have a rose
Without a thorn or two
We have the thorns, the heartaches
And the pain we knew
From all love has grows
Such a beautiful rose
Together we can plant a seed of love
Mmm, baby
Together we can plant a seed of love
Ooh, ooh

What lies ahead
Remains a mystery
We're just ripples in a stream, ooh ooh ooh
The river flows
Don't drift away from me
Don't leave me an empty dream, oh oh

Let's make a brand new start
[ah baby, love's hard to find]
And plant a seed of love
[and how to keep, girl but let's try]

Let's mend our broken hearts
(we'll get it together, baby)
And lift our minds above

Things that will last
The dreams of the past

Together we can plant the seed of
Love, baby, love, baby, we got love
Together we can make it, baby
We came together we can plant the seed of
Love, baby, love, baby, we got love
Together we can make it, baby
We got love, ooh
Love, baby, love, baby, we got love
Together we can make it, baby
We came together we can plant the seed of
Love, baby, love, baby, we got love
Together we can make it, baby
We got love, ooh
Love, baby, love, baby, we got love
Together we can make it, baby
We came together we can plant the seed of
Love, baby, love, baby, we got love
Together we can make it, baby
We got love, ooh...
