(M. Johnson)

Tender words of love  
That once came easy  
Now seems strained and insincere  
Could this be the beginning  
The beginning of the end

You don't tell me that you love me  
And your kisses seem untrue  
Could this be the beginning  
The beginning of the end

My heart oh, my love  
My everything has always  
Been just for you  
Now I pray every day  
Each and every day  
This coldness I find is only in my mind

Now you swear  
You still love me  
I longer feel you need me near  
Could this be the beginning  
I believe it's the beginning of the end  
The beginning  
The beginning of the end
