(Richard Rodgers/Lorentz Hart)

There's a small hotel  
With a wishing well  
I wish that we were there together

There's a bridal suite  
One room, bright and neat  
Complete for us to share together

Looking through the window  
You can see a distant steeple  
Not a sign of people who needs people

When the steeple bell  
Says goodnight sleep well  
We'll wish that wishing well  
Bring that steeple bell  
We'll thank that small hotel together

Not a sign of people who needs people

When the steeple bell  
Says goodnight sleep well  
We'll wish that wishing well  
Bring that steeple bell  
Thank that small hotel together
