### "This Is Why I Believe In You"

Visit "[This Is Why I Believe In You](#)" on [MotoLyrics.com](http://MotoLyrics.com)

(Pam Sawyer, Michael B. Sutton)

This is why I believe in you  
This is why I believe  
The reason I can't leave you, boy  
'Cause I can't lose the need

There is only one like you (no, no, no)  
A cup of coffee just won't do  
You do without knowing what keeps my mind blowing  
Ooh, boy, I love you so  
I love you so

This is why I believe in you  
This is why I believe  
Feeling more than I can dream  
Is it really me?

I'm on the mountain top of pride  
With you right here by my side  
You do without knowing what keeps my mind blowing  
Ooh, boy, I love you so  
I love you so

This is why (oh, ohhhhh!)  
I believe, I believe (well)  
Wop, wop, do-do-do-do, do, do

You know you make me wanna shout, I believe  
You know you make me wanna shout  
Makes me wanna (I believe)  
You know you make me wanna shout  
Makes me wanna shou-ou-ou-ou-ou-out!  
(Makes me wanna shout, I believe)  
(Makes me wanna shout, I believe)  
(Makes me wanna shout)

Makes me wanna, makes me wanna  
Sing it, makes me wanna  
Sing it louder, makes me wanna  
Sing it, makes me wanna

Sing it louder (I wanna holler)  
Sing it, sing it louder (I wanna holler, I believe)  
Ohhhhhhhhhhh, oh-oh-oh-ohhh! Yeah, yeah!  
Whoo! (whoo!)

Hey, hey, hey, hey! Hey, hey, hey, hey!  
Hey, hey, hey, hey! (Feels like I wanna)  
Hey, hey, hey, hey! (Feels like I wanna)  
Hey, hey, heyyyyyyy! (wanna hummmmmm)  
(Wanna hummmmmm)  
Let me hear you holler, let me hear you holler  
Let me hear you holler, let me hear you holler  
Whoo-oo-oo-oooh!-----  
(I'm a believer, I'm a believer, I'm a believer, I'm a  
believer)  
Oo-oo-oo-oo-oooh, ooh, ooh!

Hey, hey! Makes me wanna  
Believe, make me a believer  
Make me a believer (feels like I wanna)  
That's why I'm a believer (feels like I wanna)  
That's why I'm a believer (wanna hummmmmm)  
That's why I'm a believer, oh, oh, ohhh, oh!  
(feels like I wanna)  
Oh, oh, ohhh, oh! (feels like I wanna)  
Oh, oh, ohhh, oh! (wanna hummmmmm)  
Oh, oh, ohhh, oh! (I wanna holler)  
Oh, oh, oh, ohhhhhhhhhhhhhhhhhhhhh!

I'm a believer (I believe)  
I'm a believer (I wanna holler)  
You make me believe (I believe)  
Hallelujah (whoo!)  
I'm a believer (whoo!)  
You make me (you make me)  
Well (make me a believer)  
Ooh-----  
You make me, make me a believer  
You make me, make me a believer  
Make me (huh, huh, huh)  
Make me (well)  
Make me a believer (I got the feeling)  
Make me a believer (I got the feeling)  
Make me a believer (make me a believer)  
Yes, I'm a believer (I'm a believer)  
I said, I'm a believer (Oh)
