(Laura Nyro)

Winter froze a river
And winter birds don't sing
So winter makes you shiver
So time is gonna bring you spring
So he swear he'll never marry
Says that cuddles all her curves
Just tell him plain
You're on the next train
If love don't get there first

Time and love
Everybody
Time and love
Nothing cures like time and love
Don't let the devil fool you
Here comes the dove
Nothing cures like
Time and love
(Nothing cures like
Time and love)

Winter froze a river
And winter birds don't sing
So winter makes you shiver
So time is gonna bring you spring
You've been running
You've been rambling
And you don't know what to do
A holly goden wager says
That love will see you through

Time and love, everybody
Time and love
Nothing cures like time and love
Don't let the devil fool you
Here comes the dove
Nothing cures like
Time and love
(Nothing cures like

Time and love)

Jesus wasn't angel
The mankind broke His wings
But Jesus gave His lifeline
So sacred bell could sing
Now a woman is a fighter
Gather white or African
A woman is a woman, inside
Has miracles for men at night

Time and love, everybody
Time and love
Nothing cures like
Time and love
Don't let the devil fool you
Here comes the dove
Nothing cures like time and love
Nothing cures like time and love
(repeat til fade)
