"Tumbling Tumble Weeds"

See them tumbling down
They're pledging their love to the ground
Lonely but free I'll be found
Drifting along with the tumbling tumbleweeds

All the cares
Have been left behind
Nowhere to go but I'll find
Just where the trail will wind
Drifting along with the tumbling tumbleweeds

I know when night has gone
That new worlds falling down
I'll keep running alone
Deep in my heart there's a song
Here on the ridge I belong
Drifting along with the tumbling tumbleweeds
Drifting along with the tumbling tumbleweeds

I'll keep running along
Deep in my heart there's a song
Here on the ridge I belong
Drifting along with the tumbling tumbleweeds along
Drifting along with the tumbling tumbleweeds along
Drifting along with the tumbling tumbleweeds along
Drifting along with the tumbling tumbleweeds along
