Come with me  
And we shall run across the sky  
And illuminate the night  
O-h-h-h, I will try and guide you  
To better times and brighter days  
Don't be afraid...  
Come up the ladder to the roof  
Where we can see heaven much better  
Come up the ladder to the roof  
Where we can be (where we can be) mmm...  
(where we can be)...closer to heaven  
(To heaven--stay)  
Stay with me  
And we shall let expression  
("sing")  
Can't you hear 'em ring  
Ooh  
(Memories of yesterday)  
Yesterday's broken dreams  
Dont you know, they'll all fade away  
If you'll come...  
Up the ladder to the roof  
Where we can see heaven much better  
Come up the ladder to the roof  
Where we can be  
Mary: (where we can be)  
Cindy: (where we can be)  
aahh... closer to heaven  
We'll laugh and I tell you the story of love--how it is--  
and the  
happiness in it baby  
We'll combine our thoughts  
And together we'll travel the roads to the fountain of  
lovliness  
I will never ever ever leave you leave you alone to  
wonder  
As we go on our love it will grow much stronger and  
stronger  
Don't you wanna go...  
Up the ladder to the roof  
Where we can see heaven much better  
Up the ladder where we can be closer to heaven

Aah  
Up the...  
(up the)  
ooh hoo  
Up the  
(up the)  
Ooh come on and walk  
Come on and talk  
Come on and sing about love and understanding  
ooh ooh ooh
