(Pam Sawyer/Leon Ware)

What do you have to do  
to stay on the right side of love?  
How can you give more  
when you give more than enough?  
oh  
when I act cold  
and make you wonder about me  
you say you don't care  
so you use either read psychology  
what am I gonna do to make you love me?

what do you have to do, girl  
to stay on the right track  
to give love and get love back  
what do you have to do, boy  
your love is like puzzle to me  
you're tender and then you'll meet  
but you'll make love to me

I got to be insane  
to keep up with your personality change  
but ooh, ooh, I love you  
I melt like butter  
that's why you make me suffer  
knowing how much I love you

What do you have to do  
to stay on the right side of love?  
How can I get more  
when I give more than my share with enough love?  
what am I gonna do to make you love me?

what do you have to do, girl  
to stay on the right track  
to give love and get love back  
what do you have to do, boy  
your love is like puzzle to me  
you're tender and then you'll meet  
[repeat x3 to fade]
