(Terry Woodford, George Soule)

Give it up, give it up
Give it up, give it up

I don't care what you say, baby
I'm gonna make you mine, yeah
Even if I had to steal you away
Ooh, she'll just have to step aside
Give you up and swallow her pride
'Cause I can't let anyone stand in my way

I'll never give you up (give you up)
'Cause of pride, yeah
Gotta have all your love (all your love)
Even if it means die, yeah

You can't stop a girl in love
Not when my mind's made up
You can't stop a girl in love
And I sure love you, baby
Yes, I do

Can't stop a girl (Ooh, ooh...ooh...)
Ooooh, can't stop a girl (baby)
Ooooh, can't stop a girl

If she looks the other way (Ooooh, can't stop a girl)
This just might be my day
To come and take you away for my very own
Ohhhh, ohhh (Can't stop a girl)
No matter what I had to go through
Baby, I'm gonna get to you
I got the will and I know I found a way

Hey, I always love you
Forever and ever, ohhhhh, baby
I'm gonna make it through
Till we're making love together

You can't stop a girl in love

Not when my mind's made up
You can't stop a girl in love
And I sure love you, baby

You can't stop a girl in love
Not when my mind's made up
No, no, no, no, no, no, no, no
'Cause I sure love you, baby
