(H. Beatty, B. Holland, E. Holland)

Ooh, I thought my life was happy
(Thought my life was happy)
I thought that I was fulfilled
Then you enriched my life (oh, what a change)
My whole new world was revealed

I never really lived (Never really lived)
Till you show me how
You changed my whole life
My heart knows it now

That you're, you're what's missing in my life
(In my life, in my life)
Darling, you're, you're what's missing in my life
(In my life, in my life)

I had a hunger I never knew
Until we loved and you fed it
Like a book with a missing page
Oh, I never knew it until you read it

I never really lived (Never really lived)
Though I had good intentions
In just a few hours,
You showed me new dimensions

You're, you're what's missing in my life
(In my life, in my life)
Tell the world that you're, you're what's missing in my
life
(In my life, in my life)

You're what's missing (Sweet love)
You're what's missing
In my life (Sweet love)
In my life
(2x)

Ooh, I never really lived (Never really lived)
Till you show me how

You changed my whole life
My heart knows it now, whoo!

You're, you're what's missing in my life (In my life)
Tell the world, tell the world
You're, you're what's missing in my life (In my life)
Every day in every way, darling
You're, you're what's missing in my life (In my life)
Every day, every day
You're, you're what's missing in my life (In my life)
Every day, every day, every day in every way
You're what's missing, baby, in my life (In my life)
I wanna talk about it, believe me
You're what's missing in my life (In my life)
