I live for the sun  
Because it makes fun  
Pretty girls with their guys  
Such a love you can't buy  
And baby, we all live for the sun

Go! Sun sun sun  
We-e-oooooh

Listen listen Bud  
Don't be, don't be a dud  
Take your girl by the hand  
Fresh fish-pie in the sand  
And baby, we all live for the sun

Go! Sun?  
Will you please stop blocking my sun?  
Shut up  
Get out of the way, I need more rays  
Forget it, Bud  
I'm just burning up  
Listen Bud, you're gonna get a fat lip if you don't watch  
it  
And you're going to get skin cancer
