

Surfact "Scarecrow"

Break down worn out as the sun sets on sandy shores
Stray cat time passed you have turned into someone
else

Search the secrets of your heart
Try to picture what you've lost
As the sky falls from apart
Nothing turned out like you thought

Warnings torn ends as the door slams you hit the
ground
Scarecrow it all shows when your hideout is blowing
smoke

Search the secrets of your heart
Try to picture what you've lost
As the sky falls from apart
Nothing turned out like you thought
