Marky got with Sharon  
Sharon got Cherice  
She was sharin' Sharon's outlook on the topic of  
disease  
Mikey had a facial scar  
Bobby was a racist  
They were all in love with dyin'  
They were doin' it in Texas  
Tommy played piano like a kid out in the rain  
Then he lost his leg in Dallas  
He was dancin' with a train  
They were all in love with dyin'  
They were drinking from a fountain  
That was pourin' like an avalanche comin' down the  
mountain

I don't mind the sun sometimes  
The images it shows  
I can taste you on my lips and  
Smell you in my clothes  
Cinnamon and sugary  
Like softly spoken lies  
You never know just how you look  
Through other people's eyes

Some will die in hot pursuit  
In fiery auto crashes  
Some will die in hot pursuit  
While sifting through my ashes  
Some will fall in love with life and drink it from a  
fountain  
That is pouring like an avalanche comin' down the  
mountain

I don't mind the sun sometimes  
The images it shows  
I can taste you on my lips and  
Smell you in my clothes  
Cinnamon and sugary  
Like softly spoken lies  
You never know just how you look  
Through other people's eyes

[Chorus Backwards]

Another Mikey caught a knife  
While arguing in traffic  
Flipper died a natural death  
He caught a nasty virus  
Then there was the ever present  
Football player-rapist  
They were all in love with dyin'  
They were doin' it in Texas  
Billy caught a bullet  
But it only hit his leg  
Well, it should have been a better shot  
And got him in the head  
They were all in love with dyin'  
They were drinkin' from a fountain  
That was pourin' like an avalanche comin' down the  
mountain

I don't mind the sun sometimes  
The images it shows  
I can taste you on my lips and  
Smell you in my clothes  
Cinnamon and sugary  
Like softly spoken lies  
You never know just how you look  
Through other people's eyes
