I love the girls  
and the money  
and the shame of life  
My shallow mind's  
just a sign  
of your game of life

There were girls in the front  
and there were girls back  
And there was girls pettin' squirrels  
and there was squirrels smokin crack,  
With an old navy seal and the DEA  
and the loaded automatic just to blow me all away  
With the dog drinkin' liquor from the hole in the sky  
and the picture of the picture that pitches at a guy  
he had a problem with his sister and the 3D cops  
and a brother with a shovel just to shake it all up.

I love the girls  
and the money  
and the shame of life  
Hop down to the people on the street  
where the falls and the naval make the people wanna  
eat

My shallow mind's  
just a sign  
of your game of life  
Get down to the level with the rest with the people on  
the street  
put the metal to the test.

Locomotive in the pitcher without a knuckel in the fight  
and I was hidin' in the bushes but I couldent stand the  
light  
and he was highly indsputable the leader of the gang  
like a bullet in the freezer... bang, bang..

I love the girls  
and the money  
and the shame of life  
Hop down to the people on the street

where the falls and the naval make the people wanna  
eat

My shallow mind's  
just a sign  
of your game of life  
Get down to the level with the rest with the people on  
the street  
put the metal to the test.

Get down... get down... get-- get-- dow-- dow-- dow--  
down

Invisibility is a relative thing

I was all shaken up have the rider shake it down  
I was shakin in the air and I was shakin on the ground  
I was taken by the shaker who was preachin' to the crew  
he was shakin' lotsa bacon cookin' egg in his shoe  
and the way that all the stereos began to sing a tune  
noticed we were just a vision in a dream about a shoe  
I was walkin through the store to find a needle for a  
soul  
they had lost a little reason through a little tiny hole.

I love the girls  
and the money  
and the shame of life  
Hop down to the people on the street  
where the falls and the naval make the people wanna  
eat

My shallow mind's  
just a sign  
of your game of life  
Get down to the level with the rest with the people on  
the street  
put the metal to the test.

I love the girls  
and the money  
and the shame of life  
Hop down to the people on the street  
where the falls and the naval make the people wanna  
eat

My shallow mind's  
just a sign  
of your game of life  
Get down to the level with the rest with the people on  
the street

put the metal to the test.
