When I reach into my pocket,
That's where I lose control...
There's a panther in my tree now,
and I shoot her there....

Get out of my love,
get out my girlfriend,
'fore I lose her mind...
Yeah my buddy gotta see you later

Everybody knows we be done, implanted inside your
head....
Everybody knows Jesus, you'll meet her when you are
better...

What's that sound eveybody look around what the hell
is goin down?
...round and around and around she goes....

When I see your butpock spurtin...
Sets me kind of alarm...
Then I see that son-of-a-boyfriend
Wanna lose my mind...

Everybody knows we be done, implanted inside your
head....
Everybody knows Jesus, you'll meet her when you are
better...

Everybody knows we be done, implanted inside your
head....
Everybody knows Jesus, you'll meet her when you are
better...

Here there now better watch that sound everybody look
what's goin down

When I see you in my dreams now,
Makes me wanna kill...
I keep my panther and I feed from her now,
I know whats good for me...
whatcha doin now in my dreams now?

Everybody knows we be done, implanted inside your
head....

Everybody knows Jesus, you'll meet her when you are
better...

Hey there now better watch that sound everybody look
whats goin down, yow!
