Believe without faith  
Adoration without the idol  
Love and hate without the reason  
Life without living

Who is the idol?  
What is the reason?  
Where is your faith?  
How is your life?

Questions, answers, orders, claims  
Requests, commandments  
Persons lost in code society  
Souls sauntering in the dark

Is there a light somewhere?  
Waiting for uncertain result  
"I can not give you,  
What you deny yourself"  
Questions and answers are the same
