He fell in love,
Late last summer before all the kids went back to
school.
When he found out,
That she felt the same all he said is well that's cool.

Fanella was her name,
She was his best mate's ? French exchange.
But he didn't care for who she was,
He didn't care less who she was,
This my friends oh is because,
All he wanted to say,
Is he'd Frenched a French girl,

He'd Frenched a French girl,
He'd Frenched a French girl,
He'd Frenched a French girl.

She had no friends,
She was a loner but this didn't stand in this boy's way.
When she said ?Hi? or should I say ?Bonjour?
He just looked her in the eye.

She said, ?Fanella is my name,
Je suis votre ami ? French exchange?.
But he didn't care for who she was,
He didn't care less who she was,
This my friends oh is because,
All he wanted to say,
Is he'd Frenched a French girl,

He'd Frenched a French girl,
He'd Frenched a French girl,
He'd Frenched a French girl.

In the car last night,
She made him tell her he loved her,
But this wasn't true,
We all know,
Coz all he wanted to say,
Is he'd Frenched a French girl,

He'd Frenched a French girl,
He'd Frenched a French girl,
He'd Frenched a French girl.
