(feat. Canibus, DMX, McGruff)

[Eightball]

DMX, McGruff and Canibus

You know where you heard it first

My man Cardan, G Black, Ralph, Universal Records

Uh... {\*all echoes\*}

Pure Uncut, Eightball {\*DMX barks in background\*}

DMX (WHAT?!) DMX, McGruff, McGruff, and Canibus,  
baby

Yeah, its the Pure Uncut, raw, we keep it raw

It's the Pure Uncut, raw we keep it raw - listen...

[DMX]

Niggas I fuck wit' is the illest, baby gorillas

And shit we do today is gon' catch up with us and kill us

Long as I feel this, motherfucker's head is shot

Fucking lead is hot, and leave them dead to rot

Ruff Ryders cut the shit up, like raw keys

Like that from Crystal Lake and my last name is

Voorhies

It can happen niggas, dog keys, and still gun it down

Only cause I know how you look up to a nigga, from the  
ground

Running clown, you know better, than to breathe too  
hard

For my kids I thank you God

And if you don't know, ask a nigga, that they just put in  
the ground

Slugs make way by the ounce, so I must've put in a  
pound

At least! I gave it to another nigga for lookin

Money, ?could never stop my slugs? from cookin

Remember me, cause I'ma be there when they bury,  
you

Leave your skeleton in the cemetery

[Eightball]

Dum, du-du, dum

Who got the, who got the bum bu-bu bum?

We wrap it up and smoke it, sixty green

I'm a fiend for this rap thing  
Down South hustlin' and we all about the cream  
Stick em up, mad face, car chase through the city  
Fuck the police, I'm mad plus I'm going off that gritty  
Frank Nitti got a mob down to murder with me  
Cats want to stick me, believe it or not like Ripley  
I rip thee, back into a stack and flip it like a tech  
Pure uncut, fire it up, and watch the fiends come back  
Bubblin', real dogs stay around for troublin  
Eightball, pick up the ball, when them tricks start  
bumblin  
Rumblin (\*vrooom\*) mushroom, cloud pimpin'  
Victims who breathe in die when I be speakin, releasin  
You heard me, are you worthy  
To ride with the Suave House and get down and dirty?

[Chorus: Eightball]

Its the Pure Uncut, raw, we keep it raw\*2X\*  
Baby Pure Uncut, raw, we keep it raw  
Its the Pure Uncut, raw, we keep it raw  
(What?) Nigga, Pure Uncut, raw, we keep it raw  
[repeat]

[McGruff]
