No more talk of darkness  
Forget these wide-eyed fears  
I'm here, nothing can harm you  
My words will warm and calm you

Let me be your freedom  
Let daylight dry your tears  
I'm here, with you, beside you  
To guard you and to guide you

Say you'll love me every waking moment  
Turn my head with talk of summer time  
Say you need me with you now and always  
Promise me that all you say is true  
That's all I ask of you

Let me be your shelter  
Let me be your light  
You're safe, no one will find you  
Your fears are far behind you

All I want is freedom  
A world with no more night  
And you, always beside me  
To hold me and to hide me

Then say you'll share with me one love, one lifetime  
Let me lead you from your solitude  
Say you need me with you here, beside you  
Anywhere you go, let me go too  
Christine, that's all I ask of you

Say you'll share with me one love, one lifetime  
Say the word and I will follow you

Share each day with me, each night, each morning

Say you love me

You know I do

Love me, that's all I ask of you.

Anywhere you go, let me go too  
Love me, that's all I ask of you

I gave you my music, made your song take wing.  
And now, how you've repaid me, denied me and  
betrayed me.  
He was bound to love you, when he heard you sing.  
(Sobs)Christine, Christine.

Say you'll share with me one love, one lifetime  
Say the word and I will follow you  
Share each day with me, each night, each morning...

You will curse the day you did not do all that the  
Phantom asked of you!
