Make me a channel of your peace
Where there is hatred let me bring your love
Where there is injury, your pardon Lord
And where there is doubt true faith in You

Make me a channel of your peace
Where there is despair in life let me bring hope
Where there is darkness only light
And where there's sadness ever joy

Oh, Master grant that I may never seek

So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul

Make me a channel of your peace
It is in pardoning that we are pardoned
It is in giving to all men that we receive
And in dying that we are born to eternal life
