Dream, oh dream for me
And don't let it slip away
And though I'm gone I will be
Closer than one can be

I will always be by your side
And though I wait I'll ride
Our heart will always be true
And I will be close, close to you

Dream, oh dream for me
And don't let it slip away
And though I'm gone I will be
Closer than one can be

Don't be afraid
I will help you be brave
Our hearts beat as one
And true love will go on

Dream, oh dream for me
And don't let it slip away
And though I'm gone I will be
Closer than one can be

Over land and sea
I, I will be
Dream, dream for me

Dream, oh dream for me
And don't let it slip away
And though I'm gone I will be
Closer than one can be

Oh, oh dream
