I've always thought that man were slime  
And every guy I've met had proofed me right  
Until tonight

Just when I thought  
I had it figured  
That life's a game you never win  
He comes in and changes all the rules

What I've been taught  
I learnt the hard way  
That life and love are never just  
And if you trust you're just one of the fools

[chorus]  
And now I can't believe my heart  
Is saying don't resist him  
That I've been on my cart to love

I can't believe my heart  
Surrendered when he kissed him  
And told me you're like what I knew  
He said the truth is wrong.

\*music\*

If life is worth the disappointment  
I haven't seen one reason yet  
Untill I met the boy who smiles for free

Upon this earth  
There's no one like him  
He sees the girl I long to be  
Making even me believe in meeeeeeeee

[chorus]  
And now I can't believe my heart  
has overcomed my senses  
To help me see that he's the price

I can't believe my heart

Sustained up all your fances  
That every thing you want and more  
Is right before your eyes

I can't believe my heart  
Could be so....wise
