oh yeah ummm

If you want to save some trouble in your life

girl you better listen now take my advice

if you want save your dignity and grace

never fall for a handsome face

never never pick a pretty boy

there'll be trouble more than joy

never never pick a pick a pretty boy

there'll be trouble more than joy

he'll say that you're his your pride and joy

but don't be fooled girl never pick a pretty boy

ummmm yeah ummm

find any ugly boy who just can't help himself

one who has a face you wouldn't want yourself

if your friends laugh and say you have no taste

smile to show there's no disgrace

chorus:

never never pick a pretty boy

there'll be trouble more than joy

never never pick a pick a pretty boy

there'll be trouble more than joy

you'll be a toy for a pretty boy but

don't be a fooled girl never never pick a pretty boy
